

Product Security and Telecommunications Infrastructure (PSTI) Act

May 1, 2024

Effective April 29, 2024, the PSTI Act mandates that manufacturers of consumer connectable products comply with its security requirements to bolster protection against cyber-attacks and enforce measures preventing the sale of insecure products in the UK. Security support periods for Zyxel products, as outlined by the Product Security and Telecommunications Infrastructure (PSTI) Act, are provided below along with potential for extended support beyond specified dates. If you need to report a vulnerability, please visit to the following website: <https://www.zyxel.com/global/en/support/security-vulnerability>. We greatly value your contribution to our security efforts.
